Activities: We will have a hearty snack and then take a bus to Centercourt Athletic Club in Chatham to take the very popular Ninja Class, where kids will improve their balance, strength, agility, and coordination while overcoming obstacles! This class is great for all ages and abilities. Afterwards, we'll continue the fun in Centercourt's Open Gym. Then, have an early dinner at Chili's for lunch (which offers vegetarian and allergy friendly options) and come back to Glenwood School for pickup. This trip will sell out (like our Crayola trip did) so please reserve your spot on the bus now!

This is our only trip in March, but we will be offering trips during the April spring break, so please stay tuned!!
